“Building Our Future Together”

August 1, 2011

Dear Parents:

Saint Anna Greek Orthodox Church is beginning the third year of its HOPE and JOY ministries for the 2011-2012 year. These ministries will offer opportunities for our children to experience our faith through fun activities and service projects to the community. The HOPE ministry is for children entering Kindergarten through 2nd grade and the JOY ministry is for 3rd through 6th grade.

We plan to hold meetings once a month on Sundays, from 1:30-3:00 pm at the Dodd's house located at 2 Marshall Drive in Flemington. If you are interested in having your child(ren) participate, please fill out the attached registration form and return to Margaret Panageas or Joanna Dodd. We are asking for a \$20 donation per children to cover activity costs for the year.

We are excited to begin this our third year of HOPE and JOY at St. Anna's Parish and look forward to a fun and exciting year!

Sincerely,

Margaret Panageas and Joanna Dodd
